Carnival Games

Carnival Games provide a fun and interactive challenge for your guests. We offer a variety of games from classics like ring toss and plinko to unique games like alien pin ball and down the duck.

Video Game System Rentals

If you're looking for gaming systems, we offer a great selection of systems including Xbox 360, Wii and Play Station. Use your own games or one of ours. It's a fun addition for most any party. Use one of our 40 inch screens on trussing to really enhance the gaming experience.

Disc Jockey Services

From low key corporate events to highly involved wedding clients, our trained Entertainment Specialists help keep the crowd entertained all night. Our online planning software is available depending on the client's needs.

DJ Dance Video: Rich colorful ambient video, music videos and even live feed from your event can be played on large screens to add flair and excitement to any event.

Casino Parties

Casino parties are a blast, offering a fun and unique alternative to just about any event. No real money is involved with our casino parties; it's just a fun option for prize giveaways or to spur some friendly competition. AMS offers Black Jack, Craps, Roulette, and Texas Hold'em. Clients can rent single tables or any combination of tables.

Horse Racing

We provide a large screen on which the five custom horse races with beautifully colored animated horses are shown. We also bring in "Horse Bucks" betting windows and betting window staff, electronic betting system, custom race programs, race betting tickets, prize drawing tickets, state-of-the-art sound & lighting system, and professional announcer/DJ.

Racing To Go

More realistic than arcades and more accessible than traditional simulators, Racing To Go bring the fun, excitement, and competitiveness of racing to your event. Our stations feature vehicle-specific driving mechanics with force-feedback steering wheels and pedals. This is no time trail! Your guests will be racing head-to-head against the other drivers.

Photo Booth Rentals

We offer both open air and closed style booths. All come with an attendant, props, onsite printing, custom layouts, and a digital copy of all of the pictures.

Additional Features:

Green Screen- Place your guests in front of any background.

Social Media Upload- Upload photos to Facebook, Twitter or email and share with friends.

Twine It

The twineSTUDIO Photo Station is more than a photo booth; it's a private social network for your event. With the free twineLIVE mobile app, guests' mobile devices become a second screen for the event that lets everyone see, share, upload, and comment on the photos as they happen.

Foto Bomb

Our guests can send texts and photos from their smart phones to a live screen creating an instant slideshow. Data is monitored to help ensure that inappropriate pictures do not appear on the screen. Foto Bomb can also offer you the ability for live text voting with results displayed on the screen.

Airbrush Tattoos

Fun for any event, Airbrush Tattoos provide a unique alternative for people looking to give their guests something fun to remember. This includes a large variety of designs, the airbrush station, and an airbrush tattoo artist. Ask about custom tattoos.
